Bloomer Hospital
Invites You to Attend RTTDC

Presented by: Regions Hospital Trauma Program

Topic: Rural Trauma Team Development Course
Date: Thursday, April 10th 2025
Time: 7:30 am – 4:30 pm
Place: 1501 Thompson Street Bloomer Wisconsin
Presenter: Regions Hospital Trauma Programs
Sarah Storrs, MD
Tracey Moody, RN
Tracy Larsen, RN

Course Description: Developed by the Rural Trauma Committee of the American College of Surgeons Committee on Trauma, RTTDC is based on the concept that in most situations, rural facilities can form a trauma team consisting of at least three core members.

Target Audience: The intended audience includes individuals who are involved in the care of the injured patient, including physicians, nurse practitioners, physician assistants, nurses, prehospital personnel, technicians and administrative support.
